the ecowarriors Impartiality and Attachment: Ethics and Ecopoeisis in Children's Narrative Texts JOHN STEPHENS Social movements taken up in children's literature since the 1960s have foregrounded the ethical concerns of changing societies in a range of areas that includes environmental and ecological issues.

**Impartiality and Attachment: Ethics and Ecopoeisis in**

the ecowarriors The Green Belt Movement. The Green Belt Movement (GBM) is best known for planting belts of trees, but it has developed many other projects as well—including protecting public land, improving household food security, civic education, income-generating activities, and improved cookstoves.
